

Event Report International Women's Day

Theme	Gender equality today for a sustainable tomorrow
Date	8 th March 2022
Sponsored by	Higher and Technical Education, and KBCNM University Jalgaon
Organised by	N. S. S. unit in association with Self Help Group Mothe Kadwan
Objectives	To take the UN theme for this year's International Women's Day was Gender equality today for a sustainable tomorrow, recognizing the contribution of women and girls around the world, who are leading the charge on climate change adaptation, mitigation, and response, to build a more sustainable future for all.
Beneficiaries	Girl peers and women associated with the Self Help Groups
Highlights	A discussion was held with the self help groups of the adopted village Mothe Kadwan Tal. Navapur aiming the observation of International Women's Day. Schedule was made where the procession, gathering and some light sports activities would take place. The same plan was executed accordingly.
Outcome	Empowering women is essential to the health and social development of families, communities and countries. When women are living safe, fulfilled and productive lives, they can reach their full potential. Contributing their skills to the workforce and can raise happier and healthier children. It all is possible when given equal opportunities to them in every walk of life. Similarly all the women present were made aware of the opportunities that could be availed with social, political and mental equality.
